

Thanks for your interest in Little Inspirations Rockin' Robins Playcare. To get started, please review the handbook. **Please note that you must register for Rockin' Robins Playcare before attending.**

A registration checklist is below. The receipt of Licensing Standards Summary will need to be completed. The medical form must be completed by your child's pediatrician and submitted before your first day of care. If you've already had this completed, a copy can be made from your regular care provider or school's records as long as it is dated within one year. Finally, please bring a certified copy of your child's birth certificate for our records.

Upon receipt of your completed registration packet, we will invite you to our Oncare Parent Portal where you will securely submit your personal information, including TAP/ACH or credit card payment information. The Permissions page is also located in the parent portal.

Rockin' Robins Registration Checklist

- Read the handbook
- Submit:
 - Contract
 - DCFS Standard Summary
 - Medical Form
 - Birth Certificate
- In the Oncare Parent Portal, complete family and child information, including medical and allergy alerts and people authorized for emergency pick-up.
- Complete the Permissions section, also in the Parent Portal.
- Enter TAP/ACH or credit card information into Oncare.
- Sign up for Rockin' Robins PlayCare dates on the website form, and come PLAY!
